President's Report – Splat's Last Say

Hello All,

Hi all, welcome to February.

This is a newsletter I didn't think I would be writing in but with postponing the January AGM, here I am.

Wednesday the 9th WILL be the AGM so please come along, and bring your membership card as only financial members can vote.

We have lots of positions vacant that don't really take a lot of time. I will not be standing for President. At this stage we only have two nominations for the committee. So please consider putting your hand up to support the branch.

Happy Feet and Chilli have gone out with BMaD to get school supplies for all those kids/families that needed a hand up. Photos are attached later in the newsletter.

Keep in touch with you loved ones and friends, as we continue to navigate through the CoVid crisis, and let anyone on the committee know if you hear of someone needing help.

See you at the meeting.

Secretary's Report – Secretary Scribbles

Well here we are in February 2022 already.

1 month gone and we haven't yet had our AGM but that is now scheduled for next meeting. We need some people in the branch other than the regulars to step up and take some of the load off other long standing committee members.

Please put your hand up even just to be on the committee so we can still have a branch.

Many thanks to Happy Feet and Chilli for getting the school supplies organized with BMaD. A sterling effort by all.

Debbie

Message from the Editor, Webmaster

Hi all and welcome to the February 2022 edition of our newsletter.

The AGM is now just around the corner. Please think about helping out on the committee.

Also, if you are coming to the meeting, please ensure you are doubled vaccinated and if you are eligible get a booster shot. The rules around venue entrance management such as entry to Browns Plains Tavern are not going to change between now and the 9th of February.

Our motorhome is now back in Queensland and registered. Di and I have quite a few trips already planned for later in the year, once some of the heat of summer disappears. See you all on the 9th of February.

Don't forget the ride calendars are also on our web site—

www.mtlindesayulysses.com.au and Facebook—www.facebook.com/ulyssesmtlindesaybranch

Stay safe and upright.

Cheers GT #60143

Ulysses Mt Lindesay Branch Xmas Support for BMaD

This year BMaD did not do a School Appeal as we were the beneficiaries of fundraising carried out by Ulysses Mt Lindesay Branch, receiving a very generous sum.

Karen, Carolina, Kaylei and myself went shopping to Officeworks (Browns Plains, QLD, Australia) where the amazing ladies Ruby, Necia, Sammy and Katelin collected our huge list of school supplies. We loaded our cars and went to Browns Plains Hotel to sort the supplies into 90 individual school bags for children of the Aboriginal & Torres Strait Islander Community.

A huge thank you ladies for the amazing effort, we were all buggered by the end of the day but so humbled and excited to be sending the school bags off to their new owners. (photos of drop off to come).

Huge thank you to Ulysses Mt Lindesay Branch for choosing us to be your Charity of Choice we truly appreciate it

Crackin' Up with Cramps

A young man has been wanting to ask the prettiest young woman in town for a date and finally he plucked up the courage to ask her out. To his delight, she agreed to go out on a date with him.

Now this young woman was gorgeous and she had been driving him crazy, setting his hormones racing every time he laid eyes on her.

So he took her to a nice restaurant, bought her a fancy dinner with expensive wine and on the way home he took a detour to a country road known locally as "Lovers Lane" and pulled over to the side of the road in a secluded spot.

As soon as he stopped the engine, they started necking and the young man was getting pretty excited. Before long he started to reach under her skirt and she stopped him, saying that she was a virgin and wanted to stay that way.

"That's ok" the young man said, "how about a blow job?" "Eeww!" the girl screamed. "I'm not putting that thing in my mouth!" Rather disappointed, the young man asked her if she would give him a hand job instead. "I've never done that", she said. "What do I have to do?"

"Well", the young man replied, "remember when you were a kid and you used to shake up a Coke bottle and spray your brother with it?" The girl nodded. "Well, it's just like that".

So, the young man pulled it out and she grabbed hold of it and started shaking it. A few minutes later, his head flopped back on the headrest, his eyes closed, snot started to run out of his nose, wax blew out of his ears and he screamed out in pain.

"What's wrong?!" she cried out.

"TAKE YOUR THUMB OFF OF THE END!!!"
